

Mutual Aid Memories

Islington communities came together in brand new ways over the course of the COVID-19 pandemic, Mutual Aid groups helped so many people, and preserving those connections and memories is essential.

Do you have any stories to share about your experiences with Mutual Aid?

Islington Heritage Service will be hosting Collecting Days at Islington Museum on July 24th and at Cally Clock Tower on August 25th between 11am and 1pm! Come and share your stories, objects, and memories with us and each other.

Complimentary food and drink will be provided.
